Bio | Julia Graeter

Julia Graeter, also known as Whale Woman, is the Visionary & Thought Leader in WHALENESS, Founder & CEO of we.are.tohorā and International Keynote Speaker.

Born in Germany and now residing in New Zealand, Julia has dedicated her life to marine conservation, blending science, creativity, and activism. Julia Graeter is an Marine Conservation Leader, Experience Designer, Sound Journey Facilitator, Whale Researcher, Marine Mammal Medic, Wildlife Photographer and Ocean Advocate. She has worked hands-on with both live and deceased whales.

Julia Graeter is an engaging and impactful speaker, known for inspiring audiences with her unique perspective on the connection between whales, planetary health, and human wellbeing. She brings to life the awe of encountering the ocean's gentle giants, the urgency of conservation efforts, and the resilience needed to drive meaningful change.

Having collaborated with scientists, conservationists, and community leaders, Julia Graeter offers keynotes, workshops, and mentoring programs that spark curiosity, ignite action, and empower individuals to rethink their relationship with the natural world.
